

Model GT2 Air Flotation Table

The GT2 helps you increase productivity and reduce operator fatigue at your mattress panel sewing/serging station.

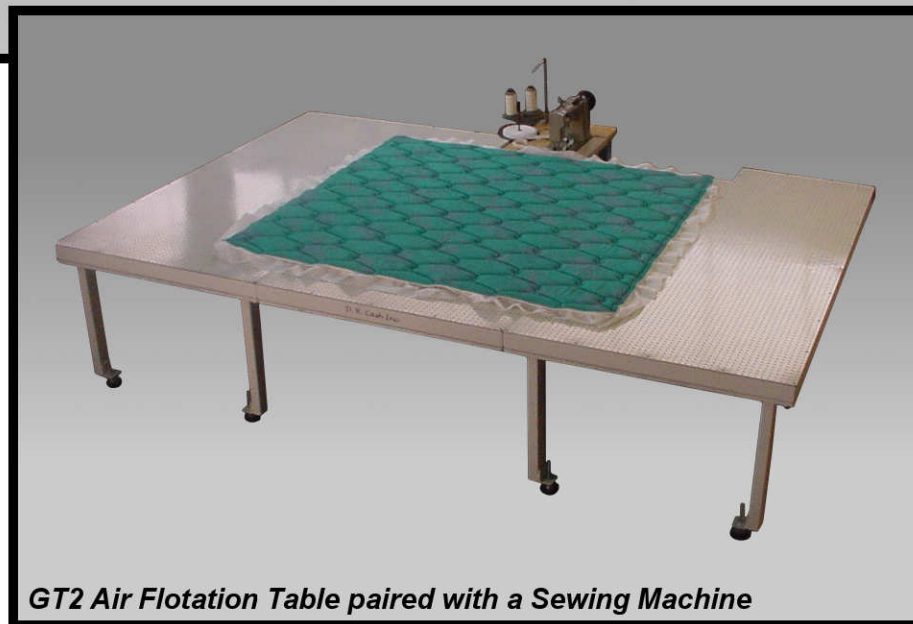

Evenly distributed airflow between the mattress panel and table simplifies pulling and turning even the heaviest panels.

Specifications

- Table top size: 12 x 8ft
- Table top height: 30in
- Centrally-located cutout for standard-sized, 20 x 48in sewing machine table
- Variable speed airflow
